Wine producers with this icon displayed are participants in the Tasmanian Mixed Dozen freight scheme. This allows you to purchase a bottle or two from different vineyards as you travel around and have wine dispatched to your home address once you’ve reached a dozen bottles. Present your purchased wines (in dozen lots) at the last vineyard on your travels - they’ll let you know the cost of freight and it will be sent straight to you.
Introduction

The past twelve months has been an exceptional year for the island state, with Tasmania collecting the prestigious Jimmy Watson Trophy, Best Pinot Noir of both the Sydney International and International Cool Climate Wine Shows, Champion Wine of the National Cool Climate Wine Show, Australian Gourmet Traveller Wine’s Winemaker of the Year and Young Winemaker of the Year, to name but a few.

Tasmania’s boutique yet burgeoning wine industry boasts seven distinct wine growing areas, which have been divided into four wine experiences to assist visitors to the island state - the north, the south, the east coast and the north west. All are within easy reach of major centres or are located en route to some of Tasmania’s iconic attractions.

The cellar door experience is as diverse as the range of wine styles, from converted heritage stables to ultra-modern cellar door restaurants.

Producers are usually on hand and happy to share their passion for their wines, distinctly shaped by Tasmania’s climate and soils.

As you will see from maps included in this brochure and from the Tasmanian Wine Routes website (www.winetasmania.com.au) you can easily tour the Tasmanian wineries by car or on a guided tour.

Take your time to explore the varied wines of the Tamar Valley in northern Tasmania or take an easy drive from Hobart to the Derwent, Coal River and Huon Valleys. There are also award-winning vineyards waiting en route to Cradle Mountain in the north west or en route to Freycinet and Wineglass Bay on the sunny east coast.

Tasmania’s naturally elegant wines are made from grapes grown in climates similar to much-celebrated European wine regions – with mild summers and long autumn days that slowly ripen the grapes, providing elegance and intensity of flavour.

Tasmania is particularly renowned for its Pinot Noir, Sparkling wines, Riesling and Chardonnay.

Tasmania enjoys a national and international reputation as a leading producer of some of Australia’s premium wines, winning high praise and plenty of trophies from wine judges and critics alike.

So enjoy our regional wines, friendly encounters with growers and winemakers and celebrate the delights that come with the changing of our seasons with a visit to one or more of Tasmania’s wine regions.

Wine Tasmania encourages responsible consumption of alcohol and recommends the following: don’t drink on an empty stomach, drink plenty of water, use spittoons and if you plan to drive – choose a designated driver or take a guided wine route tour.
• Multi award winning wines
• Mail order facility
• Panoramic views to the coast

Coal River Valley
Wine Region

Come and treat yourself to the superb wines and food in the Coal River Valley Wine Region. Only a 20 minute scenic drive from the city, the region has the largest concentration of vineyards in southern Tasmania.

Step back in time with a visit to Richmond, an historic village nestled in the rolling hills of the valley. In Richmond, Tasmania’s convict past seems very close. Quaint Georgian cottages line the streets, and mellow sandstone glows in the sun. An amazing number of beautiful old stone buildings constructed by convict labour have stood the test of time.

Exploring Richmond and the Coal River Valley is a delight. Savour the locally produced fine wines, visit the art galleries and antique shops, and be tempted by the bakery and lolly shops. Try the succulent fresh local oysters from the Pittwater estuary.

There’s lots of colonial accommodation in the Richmond area, along with an historic country pub, restaurants, and cafes. Why not combine your visit with a local festival, a game of golf at the championship standard golf courses, or an international cricket match or AFL game at Blundstone Arena?
