

COSPAK

Providing complete packaging solutions to
manufacturers of consumer and industrial
products in Australasia

Cospak is a global, innovative, Australian business supplying some of the world's largest iconic brands with complete packaging solutions.

Established in 1969, employing over 150 people throughout Australasia, the group has distribution centres strategically located to support our partners and their plans for growth.

We are a business that is proud of our Brand, our Products and our People.

We help companies like these organically sell smarter:

Packaging is powerful because it tells consumers why your product and brand are different.

Our Vision:

To be the leading supplier of packaging solutions to manufacturers of consumer and industrial products in Australasia.

WE ARE

CERTIFIED

A woman with long brown hair, wearing a white strapless dress, is hugging a young girl with blonde hair in a patterned dress. They are in a sunlit field with green trees in the background. The woman is laughing and the girl is smiling. The scene is bright and cheerful.

SUSTAINABILITY

Cospak is a member and signatory to the Australian Packaging Covenant Organisation (APCO). Our aim is to support government and our customers delivering on the 2025 goals:

- 100% reusable, recyclable or compostable packaging
- 70% of plastic packaging being recycled or composted
- 30% of average recycled content included in packaging
- The phase out of problematic and unnecessary single-use plastics packaging

Your success is our goal
