

## ARE YOU INTERESTED IN BEING PART OF THE TASMANIAN WINE GRAPE HARVEST IN 2021?

With more than 200 vineyards around the island and an increasing global reputation for our wines, this is an exciting opportunity to be part of the dynamic Tasmanian wine sector.

For the first time in 2021, free specialised "how to pick" wine grapes training is being offered by Wine Tasmania for 30 people only on March 31 (North) and April 1 (South) (dates subject to weather changes).

Conducted in partnership with TasTAFE and the Tasmanian Government, the session will comprise detailed and practical training at two vineyard locations, giving you a chance to put what you have learned into practice by harvesting the very first grapes of the 2021 vintage!

All participants who display competency in the activity will receive a Certificate of Completion and with their details shared with Tasmanian wine producers and labour hire companies for potential employment during the upcoming 2021 vintage and beyond.

Numbers are strictly limited. The training is free of charge, including free bus transport for participants. If you're interested in undertaking this training, please call Sue at TasTAFE on 03 6777 2634 or email [sue.forrester-clarke@TasTAFE.tas.edu.au](mailto:sue.forrester-clarke@TasTAFE.tas.edu.au). Further details will be provided upon registration.
