WINE REGION ON THE PLANET

ARE YOU INTERESTED IN BEING PART OF THE TASMANIAN WINE SECTOR IN 2022?

With more than 200 vineyards around the island and an increasing global reputation for our wines, this is an exciting opportunity to be part of the dynamic Tasmanian wine sector.

A one day free specialised “**HOW TO PRUNE GRAPEVINES**” training course is being offered by Wine Tasmania for 30 people in May 2022 in both the north and south.

Conducted in partnership with TasTAFE and supported by the Tasmanian Government, the session will comprise detailed and practical training at two vineyard locations, giving you a chance to put what you have learned into practice by pruning grapevines.

SOUTH
20 May
Nocton Vineyard,
Richmond

NORTH
26 May

All participants who display competency in the activity will receive a Certificate of Completion and will have their details shared with Tasmanian wine producers and labour-hire companies for potential employment during the upcoming 2022 pruning season. Numbers are strictly limited. The training is free of charge, including free bus transport for participants from TasTAFE.
